2015 Classes
Students will spend this week in their 2014 class groups until hopefully Friday. We need to make sure that all students are accounted for before we start 2015 classes. Students will be working this week on revision activities to prepare them for the new year's work. We have created draft class lists and these lists take into account academic and social issues. We are governed by set class sizes and therefore we cannot exceed maximum numbers for each class. We make every effort to ensure all students are happy in their class. We ask that parents support their children by giving them a couple of weeks to settle into their new classes. Some children may be initially distressed, but tend to settle with good support. Because our numbers are so tight it may not be possible to shift children to another class.

New Timetable
As we prepare for the new building program, we have decided to implement new recess and lunch times for students to allow maximum use of space around the school. This will be a temporary arrangement whilst the building happens. We will trial the new times from this Friday, even though the actual building will not start to impact until after the next holidays. This is designed to get children into a routine. We have divided K-2 and 3-6 into different times. Because of the times Primary (3-6) will have their Lunch first, then Recess. Infants (K-2) will have Recess, then Lunch.

The times are as follows:
K-2 Recess 10:55am - 11:25am
K-2 Lunch 12:50pm - 1:30pm
3-6 Lunch 11:30am - 12:20pm
3-6 Recess 1:35pm - 1:55pm

Swimming Carnival (Years 3-6)
The annual school swimming carnival will be held on Thursday 5th February. A permission note will be sent home. We encourage all primary students to attend. Parents are also welcome to attend. It will be held at Peninsula Leisure Centre.

Gymnastics (Years Kinder – 2)
A note will go home to parents later in the week regarding this program however just to let you know that the gymnastics program will commence in Week 2 either on Wednesday or Thursday. The cost is $32 for the 8 week program. Please talk to your child’s class teacher to find out which day your child will be participating.

Text Books
These will be sold for all students Kinder to Year 6 on Tuesday February 17th. A separate note advising prices will be going home to parents soon.
