Special Assembly for Mr Harris
On Friday, the school farewelled Mr Harris with a special assembly in the hall. The children ran the assembly and classes and groups performed. A special thank you to the staff that helped put together the assembly and the children who performed for Mr Harris. Mr Harris had a wonderful time and enjoyed the performances.

Contact Details
The beginning of the school year is the ideal time to ensure that all contact details are up to date in the office. There have been times when we have tried to make contact with parents and have found that phone numbers, addresses and family situations have changed. It is important for the school to have all the relevant information. If there have been any changes in your contact details please send these changes to the office in writing so we can update our school records.

Voluntary Contributions
Last week a notice went home regarding our School’s Voluntary Contribution payment. Contributions help provide additional educational resources for the benefit of students. This payment has been set once again at $35 per student or $50 per family. This has remained at the same level since 2010.

Please carefully consider making the voluntary contribution this year, it works out to be less than $1 per week your child is at school.

Cricket Trials
The Brisbane Water PSSA boys cricket trials were last Thursday with Jack Hunter and Lachlan Shedden attending from our school. Both boys were successful in gaining selection to attend the next round of trials to be held at Bateau Bay Public School in early March.

A fantastic effort and good luck at the next trials boys.

Tennis Trials
Callum Gray, Ben Reiad and Hayden Chung represented our school at the Brisbane Water Tennis Trials last Thursday. All three boys played some outstanding competition tennis against students from 5 other local schools.

Congratulations to Callum who finished 1st, Ben who was 4th and Hayden who finished 8th.

Callum will now represent our school at the Sydney North Trials on 10th March at Gosford.

Well done boys.

SCHOOL BANKING
Welcome to our new bankers! Thank you for your support of our account opening morning. We took applications for 26 new accounts, which earns our school $130.00 in commission.

Consistent Savers in week 3 were KM (6 bankers) and week 4 were 2FN (9 bankers). Well done.

*** A couple of weeks ago, a parent contacted me via a note in their child’s bank book, to say that they did not receive a reward, which they ordered late last year. That reward has now been replaced, however, I didn’t take note of who you are. Would you please contact me again and I’ll make sure your reward gets to you. Sorry for the absent-mindedness!

If you have any questions about school banking, please contact Liz on 0411 497 567 or liz.post@icloud.com

Happy saving!
